SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner:

Applicants and their legal representatives are aware of the following publications and information listed on the attached PTO Form 1449, and in accordance with 37 C.F.R. §1.97(b)(3), hereby submit and make of record these publications for the Examiner's consideration. Copies of each of these publications are enclosed.

It is respectfully requested that the information disclosed herein be expressly

therefrom. In this regard, it is requested that the Examiner initial and return a copy of the enclosed Form PTO-1449 with the next Patent Office Communication.

This submission does not represent that a search has been made or that information more material to the examination of the present patent application does not exist. It is understood that the Examiner will conduct an independent search of the prior art.

Furthermore, this submission does not constitute an admission that the listed documents are material to patentability or that the listed documents are prior art. If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Officer the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

This Supplemental Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits and is therefore submitted as both timely and proper; therefore, no fees are believed to be due. However, the Commissioner is authorized to charge any fee deficiency or credit any overpayment to Deposit Account No. 08-0219.

Respectfully submitted,

Dated: April 4, 2002
